

MEDIA RELEASE

Representatives from Region 14/16 Odyssey of the Mind may photograph, videotape, and/or interview students in connection with the OotM Regional Tournament for printed/online publications, newsletters, news releases, website stories, videos, social media, and other publications. Names will not be publicized unless we ask for additional permission and it is granted by you.

Photographs/videos showing details of long-term problem solutions will NOT be released publicly until after World Finals in May.

This form permits parents/guardians the option to NOT allow Region 14/16 to take photos/video of your minor children. To exercise this option, check the box below, sign the form and **turn it in to your pre-staging judges at the Region 14/16 Odyssey of the Mind tournament.**

If a team does NOT submit any opt-out forms from a team, that team is permitting the Regional OotM representatives to photograph, videotape, and/or interview all members of the team through the duration of the tournament.
